- Jostens' replacement warranty ends 28 May 2020. If you lose your ring after graduation, please notify Graduate Programs at the AOG in the event it is returned to USAFA. For replacement (cost incurred after graduation), contact Jostens directly.
- Insure your ring with personal property insurance. For \$5,000 coverage, typically \$42-\$58/yr, for \$2,000 coverage, typically \$18-\$24/yr. Some companies include USAA, AFI and Jewelers Mutual. Replacement cost is the original cost of your ring plus approx \$250. Use your order form as your guide.
- Your ring has a lifetime warranty that includes: cleaning and polishing, repairs, resizing, and replacing damaged/lost stones. Warranty is VOIDED if you use a jeweler to do ANY work on your ring.
- Jostens' USAFA customer service number is (800) 852-9353. Rings can be sent for repair to Jostens' Customer Service, 1900 Hartle Ave, Owatonna, MN 55060. When mailing, insure your ring for at least \$2K or more.
- Contact Graduate Programs at the AOG with any questions you may have, (719) 472-0300, ext 139. We are located in Doolittle Hall.
